ASSORTMENT KIT POLY FLASH

ITEM NO.: 9618 SORT

All 23 solid colors of the **POLY FLASH** color card are available in a handy drawer box.

These miniking cones of 1000m each allow you to run sewing and embroidering tests of ornamental seams immediately. In addition fabric color matching gets a lot easier with these miniking cones. The color effects of the actual threads are more precise than just comparing shades of the color card thus ensuring the perfect match when choosing colors.

The following color numbers are included in the box:

87009	87001	87003	87004	87007	87002	87008	87005
87011	87010	87014	87054	87012	87013	87055	87050
87053	87018	87056	87015	87052	87016	87051
